

**One-year, five-year and ten-year probability of cancer death and probability of non-cancer death**

estimated with the **period approach** for patients diagnosed 1999 to 2013, with follow-up between 2009 and 2013

**13 Rarer Cancers (ordered by ICD-10 code)**

Cancer	ICD-10 code	Sex	Age group (years)	Patients followed up during 2009-2013	One-year risk		Five-year risk		Ten-year risk	
					Cancer death (%)	Non-cancer death (%)	Cancer death (%)	Non-cancer death (%)	Cancer death (%)	Non-cancer death (%)
